Fairmont Elementary  
Week of August 17, 2020

Principal: Susie Gahan - Asst. Principal: Taylor Eiler

LEARNING IS MAGICAL!

Dear Family,

We all have enjoyed seeing kids at school this week. It feels good to hear students in the building and to catch up with them about how they have been during the shut down and the summer. It is exciting to see how much they have grown and to hear about what they have been doing. I know you are aware of the COVID 19 cases we dealt with on the first day. Thank you for your patience and support. **This situation revealed that we need to remind parents that if your child has taken a test for Covid, don't send him/her to school until after you have the results. If the result is positive, do not send them to school until the health department says it is okay. If your child does not feel well, do not send him/her to school.**

Thank you for your help in keeping our kids healthy and in school.

Our students have been doing a great job wearing masks all day. I am proud of how seriously they are taking this responsibility. Thank you for explaining the importance of masks to them. Thank you also for sending your child to school in Fairmont Dress Code. They are looking sharp and ready to learn. Friday is a non dress code day every week. Thanks for all of your support and help at home.

Have a great weekend!

**SUSIE GAHAN**

Principal

## THINGS TO REMEMBER

**Masks are required for all adults and students in the building, and also on the school bus.**

Keeping our students and staff safe is our #1 priority!

Unfortunately, **NO visitors** will be allowed in the building.

Conference and meetings must be scheduled in advance.

## ARRIVAL/DISMISSAL REMINDERS

☞ Please do not drop off your child at the front door. If you are bringing them to school you must get in car line to drop off. This is for the safety of our families, students and staff as we unload the buses in morning.

## CHANGING YOUR CHILD'S ENROLLMENT

We have had many families wishing to change between virtual and traditional learning. Please remember the following:

- You must notify the school office that you want to switch. You can reach us at 812-542-5501.
- We ask that you give us 1-3 days to make the change. Depending on the volume of children switching, it takes some time to gather all the necessary materials together and prepare everything your child will need at home. Switches back to traditional, in school learning can typically be effective the next day.
- Be patient with us, please. We are doing the best we can during these new and unusual times to accommodate our families.

## TECH SUPPORT

If you are having issues with your child's device, please contact tech support at 812-542-4700, or by using the link below to fill out a support request. You can also direct Google Classroom questions to your child's teacher via email.

**Student Tech Support Form:** <https://docs.google.com/forms/d/e/1FAIpQLSek3wG8R726gYtzo96nVsx4Q2EqCzbfHQHEmnsPpoWUjZLw/viewform>

If you are needing assistance with internet access at your home, please let us know by emailing the following information to [nafair@nafcs.org](mailto:nafair@nafcs.org): send an email with their name, student name, grade and a brief description of their situation to [nafair@nafcs.org](mailto:nafair@nafcs.org).
