

Fairmont Kindergarten Round-Up

March 3, 2021

6:00-7:00 Fairmont Cafeteria

Please join us in our Cafeteria for an informational meeting to learn about Kindergarten for your child and to complete pre-registration forms for the upcoming school year.

We are requesting that a child is accompanied by no more than two people due to the Covid-19 pandemic. Please sit at a table with only your family members. Face masks are required in the school building at all times.

Please bring your child's birth certificate, immunization records, proof of residency and a photo ID. If you have any questions call 812-542-5501.

Things to know about Kindergarten

Your child must be 5 years old on or before August 1, 2021.

You must pre register at the school that is zoned for your residence. Transfer requests are available on line March 1st. Decisions for transfer requests are completed in July.

Kindergarten is a special time for your child and we work every day to make it that way.
