# CARDINAL NEWS

Fairmont Elementary  
Week of August 16, 2021

Principal: Susie Gahan - Asst. Principal: Taylor Eiler

LEARNING IS MAGICAL!

## FROM THE OFFICE

Dear Fairmont Families,

I would like to take this opportunity to say "Thank you!" Fairmont families have done an outstanding job of working together to keep kids safe at school. We all appreciate you!

One of the best ways to be an involved parent is to simply talk with your child about school. It shows your child that you support their learning. Look over completed work to find out how well she's doing. Also, respond to notes from the teacher and sign the weekly folder or daily planner if required. If there is a homework assignment, make sure she knows what to do by asking, "Do you know what you are doing?" Have your child explain the homework to you, then you will know if she can do it or not. After the homework is all finished, check over the assignment to see that it is complete. This is a game changer for kids and doesn't take very long.

Thanks for all of your support at home!

Enjoy the weekend.

**SUSIE GAHAN**

## IMPORTANT:

### Current COVID-19 Guidelines

Masks are required by federal law for all students who ride the bus to/from school.

In addition, per our new corporation guidelines, all students and staff are currently required to mask indoors. This is because Floyd county is at level **ORANGE**. Families were emailed these guidelines last week. If our level changes, guidelines may also change.

We appreciate your support as we work to keep our staff, students and families happy and healthy! We believe children learn best when they are **IN SCHOOL**, and we can serve them best if everyone follows the guidelines.
